He said that the goal is to "get the console id from the user's serial number." It will also likely be used as a root key for finding all the other consoles, as well as their physical location. He also plans to make an "I have the console id" app soon.]> (Nhatom)Computers & Technology | Cyber Monday 26 Nov 2014 16:45:01 +0000 look at this week's desktop and laptop deals, plus Cyber Monday deals going on this week for online and in-store purchases. The price for the MacBook Pro has gone up again in the past week and the lowest price as of this moment is \$1,639 for the 16GB model. There is also an option with a 256GB SSD, but only for \$1,849. There has been a lot of gaming news lately about the Oculus Rift, a VR headset that is expected to hit the market in the next couple of months. Because of this, there have been a lot of rumors regarding the specs and prices. If you're looking to get one for yourself, check out the discounted price offered by Amazon. The Xbox One got a price cut earlier this month, but that's not the only thing Microsoft is doing to it this year. The company announced on Thursday that it will be removing the Kinect and replacing it with a webcam and microphone. If you're curious to learn more about it, you can read the announcement post on Xbox Wire.]> (Nhatom)Computers & Technology | Virtual Reality 25 Nov 2014 19:22:24 +0000 look at virtual reality, including 82157476af
